

Everyday cleaning

- ✓ **Clean surfaces regularly with a soft damp cloth.** Microfibre cloths are ideal for this.
- ✓ **Squeeze out excess water from the cloth** so it's damp, not dripping.
- ✓ **Wipe surfaces dry** with a clean dry cloth to reduce streaks.
- ✓ Clean stubborn dirt using a mild solution of liquid detergent in warm water, with a soft cloth.

Preventing damage

- ✓ **Wipe up spills as soon as possible.**
- ✗ **Never use solvents or abrasive cleaning products.**
- ✗ **Never use furniture polishes** or cleaners that contain silicone.
