

CARING FOR YOUR
**Paint and Clear
Lacquered Surfaces**

Everyday cleaning

- ✓ **Clean surfaces when required with a soft damp cloth.**
- ✓ **Gently clean stubborn dirt** using a mild solution of liquid detergent in warm water, with a soft cloth. Wipe softly, with care.
- ✓ **Wipe surfaces dry gently**, using a clean dry cloth to reduce streaks. Microfibre cloths are ideal for this.

Preventing damage

- ✓ **Wipe up spills immediately.**
- ✗ **Never use solvents or abrasive cleaning products.**
- ✗ **Never use furniture polishes** or cleaners that contain silicone.
- ✗ **Never rub or try to clean any part of the paintwork with a dry cloth.**
- ✗ **Never allow food splashes to be left to dry on the lacquer.** Gently clean as above immediately.
